

Why Join

The Junior Science Club aims to provide young students the opportunity to experience science investigations and practical science-related activities that extend their learning in the classroom environment.

The Junior Science Clubs aim to provide students practice of science-related process skills and increased potential to develop and practice critical thinking, communication skills and self-appraisal.

Ages

The Junior Science Clubs are available for students in years 3, 4, 5 and 6.

Date, Time and Venue

The Junior Science Clubs for students in years 3 and 4 will be held every Wednesday from 4.15 to 5.30 pm.

The Junior Science Club for students in years 5 and 6 will be held every Wednesday from 5.45 to 7.00 pm.

All sessions will be held at the National Sports School, Falaise Road, Pembroke.

Applicable fee

A payment of Eur 60 is requested on registration of each participating student.

Duration

The Junior Science Club sessions will start on Wednesday 21st October 2015 and last till the last week on 25th May 2016. Parents / guardians will be notified of holiday periods after registration.

Register

Interested individuals are asked to compile the registration form and forward it together with the Eur 60 payment to the Pembroke Local Council during office hours by Monday 12th October 2015.
